

Brielle J.

Multimedia Artist and Musician

Creative, flexible, and adaptable graphic designer, multimedia artist, and musician specializing in character-driven world-building and pastel pop aesthetics. Expert in Adobe Creative Suite and Logic Pro X, bridging the gap between digital design and traditional fine arts. Proven track record in regional community engagement; **transitioning to Toronto, Ontario in August 2026 for International Artist in Residence, with confirmed CUSMA/TN work eligibility and upcoming volunteer placement at the Toronto International Film Festival (TIFF).**
